WHEREAS residents need access to timely and accurate updates about the ongoing truck convoy demonstrations; and

WHEREAS misinformation about the demonstrations is prevalent; and

WHEREAS the situation and response from the Ottawa Police Service and City of Ottawa is fluid; and

WHEREAS the City of Ottawa is not currently providing daily updates to keep the public informed on how the demonstrations are evolving and the plans to end them as soon as possible;

THEREFORE BE IT RESOLVED that City Staff, led by the Emergency Operations Centre, organize a daily media availability for the duration of the truck convoy demonstrations, including participation from a spokesperson from the Ottawa Police Service, By-Law Services, and other affected City services as relevant.
